SHOW #1-2010

Tune into Fishing the Midwest this week for a preview of some of the action you'll be seeing in 2010 on Fishing the Midwest with Bob Jensen. In the final segment, Brian Brosdahl shares his tips for better panfish success through the ice.

SHOW #2--2010

Bob Jensen travels to Land O'Lakes Wisconsin to chase walleyes with Patrick Sheahan, Mark Gostisha, and Bruce Becker. It's early in the walleye season and the walleyes are eating jigs.

SHOW #3--2010

Ice-fishing is in full swing across the Midwest. This week's show starts off chasing panfish with ice-angling expert Brian Brosdahl. After some great panfish action, another ice-ace, Tony Roach, reveals ideas for taking walleyes through the ice.

SHOW #4-2010

John Cooper is an outstanding angler who has devoted his life to helping people. Spend a day on the water with "Coop" and Bob Jensen chasing walleyes on Lake Oahe in South Dakota. After that, Travis Peterson takes his son Jace and daughter Brin on an early season panfish adventure.

SHOW #5--2010

Leech Lake walleyes are back big-time! Dana Pitt and Al Maas take Bob Jensen out for an afternoon of walleye action on this historic north central Minnesota lake.

SHOW #6--2010

Terry Fitzpatrick, BassMaster Classic qualifier and Cabela's fishing expert, shows Bob Jensen around his home waters on the Mississippi River near Lansing, Iowa in search of largemouth bass.

SHOW #7--2010

It's off to Waubay Lake in northeast South Dakota to catch walleyes. Bernie Punt and Bob Jensen join Joe Honer for some fast walleye and jumbo perch action and to learn why ethanol is an important of our future from several standpoints.

SHOW #8--2010

Bob Jensen joins Travis Carlson on Lake Kabetogama in northern Minnesota for some early season walleye catching. The action is so good that they return in the fall for more walleyes.

SHOW #9--2010

Lake Pepin near Lake City Minnesota provides lots of fishing action on today's episode of Fishing the Midwest. Loren Waalkens shows Bob how to catch walleyes, sauger, and crappies from these fish-filled waters.

SHOW #10--2010

Line is perhaps the most critical part of your fishing equipment. Today Mike Frisch and Bob Jensen get together with Clay Norris to catch bass and to learn how selecting the proper line will enhance your fishing.

SHOW #11--2010

Yankton, South Dakota is the home of Lewis and Clark Lake, and Lewis and Clark Lake is the home of lots of walleyes and trophy-sized white bass. Join Scott Madison and Bob Jensen on Lewis and Clark Lake for some fast action on this week's episode of Fishing the Midwest.

SHOW #12--2010

This weekend's episode of Fishing the Midwest provides an historic look at planer boards. Bruce DeShano joins Bob Jensen for trophy walleye action on planer boards. Don't miss it.

SHOW #13--2010

Jig guru John Peterson gets together with Bob Jensen to catch walleyes on jigs. John offers lots of advice on selecting the proper jig for catching walleyes in different situations. Then it's a recap of this year's Fishing the Midwest action.
